

## Cabinet Care and Cleaning

Thank you for choosing Aspen Leaf Kitchens for your custom cabinetry needs! We hope you enjoy your cabinetry for many years to come. Below you will find tips and guidelines for properly maintaining your Aspen Leaf cabinetry.

To clean the cabinetry, simply use Rejuvenate™ or a mild soap and water solution. Do not use any product containing silicone.

Avoid exposing your cabinetry to the following:

- Water
- Humidity/Excessive Dryness
- Frequent Direct Sunlight
- Excessive Heat
- Detergents and Solvents
- Contact with Hard or Abrasive Objects
