

Standard Product Warranty

At Aspen Leaf Kitchens, we stand behind the quality of every component we manufacture. We guarantee that our cabinetry components will be free from material and workmanship defects for a period of five (5) years from the date of delivery. This warranty applies when products are properly handled, stored, and installed in accordance with our specifications. Aspen Leaf Kitchens shall, at its option and cost, either repair or replace the product and/or parts under warranty.

This warranty shall not apply to failure or deficiencies which have been caused by misuse, alteration, unauthorized repair or modification, extremes in heat and/or humidity, improper cleaning chemicals, UV exposure, water exposure, or damage due in any way to the Purchasers' negligence or responsibility. Additionally, the warranty excludes any form of abuse that the cabinets may incur, or any types of wear considered above normal cabinet wear depending on the application.

Aspen Leaf strongly recommends the use of a whole house humidifier. This is due to the extremely dry climate present in Colorado. Small cracks at door joints are not considered a product defect. This is a result of shrinkage due to the dry climate. Effects of the dry climate on your cabinetry will be significantly reduced with the use of a whole house humidifier.

Purchaser's sole remedy under the above warranty shall be repair or replacement as provided above. Aspen Leaf Kitchens' maximum liability for any claim by Purchaser arising out of Purchaser's order or the above warranty shall not exceed the actual amount paid by Purchaser to Aspen Leaf Kitchens for the product. This warranty is in lieu of all other conditions or warranties, including without limitation, an implied condition or warranty of product for a particular purpose and of any other warranty obligation on the part of Aspen Leaf Kitchens. This warranty is not assignable by the Purchaser.

In addition, Aspen Leaf Kitchen warrants all hinges and drawer guides furnished with our cabinetry if the original owner purchaser owns the product. Any defective hinge or drawer guide will be replaced without charge. This does not include hinges or drawer guides that have been exposed to excessive loads or otherwise used in any manner contrary to their intended purpose.
